

IMPRESSION SAILING & EVENTS GROUP

THE ULTIMATE OUT OF OFFICE EXPERIENCE

Beneteau 27.7

This Pocket Rocket is ideal for small groups who want to have a fast, safe but fun day out on the water. Once the spinnaker is hoisted she flies downwind yet is remarkably easy to handle. She is very responsive, rather like a big dinghy and she benefits from an electronic lifting keel, that enables her to explore shallow coast lines and more secluded anchorages. She is available to charter on a daily, weekend or week long basis.
